Residential Safety Affidavit

The Hackensack Fire Prevention Bureau has been mandated by the State and local governments of New Jersey to exercise caution when inspecting residential properties. The following is being enacted by the Hackensack Fire Official:

Hackensack is practicing safe social distancing. This enforcing agency, will accept, in lieu of a Bureau inspection, this certification that residential units within a two family non owner occupied or multiple dwelling occupancy conform to the following: (Initial all that apply)

- All units have working 10 year sealed battery type smoke alarms in or within 10' of each bedroom
- (OR) All units have working wired smoke alarms (attach report from certified professional)
- All units have a working Carbon Monoxide detector in the vicinity of the sleeping area
- All units with a door to a common stairwell or hallway have a self-closer that is operating
- All units appear to be free from fire hazards (i.e. free from excessive storage, extension cords, etc...)

The following units were not checked by the building owner or management:

- Reason: _____
- Reason: _____
- Reason: _____
- Reason: _____

Please provide the tenant/owner contact information of units not checked

The undersigned hereby acknowledges that all information submitted is true to the best of their knowledge.
