1. An excavation permit application should allow ten (10) business days for review (with exception to emergencies). This application must be provided before excavation and approved before any work is started, except in cases of emergency as defined by §148-34 of the City Code. **Telephone notice of an emergency must be made and followed by submission of this application within 24 hours of notice and/or the next business day. \$100/day assessment for non-compliance.** The original permit must be available at the site at all times when work is in progress.
2. All Application Fees are non-refundable regardless of approval status, and all Review Fees are non-refundable upon the start of review by the City or its representatives. Review Fees are calculated in reference to SF of total excavation (length x width) with a minimum width of 3 feet. If a review mandates numerous revisions and coordination with the City, additional fees can be requested by the City.
3. Inspection Escrow is only required if the Applicant has not gone before the City Land Use Board for work associated with the permit.
4. An excavation permit will not be issued until the applicant has deposited an inspection fee/escrow(s), posted a performance guarantee as provided in § 148-7, and provided a certificate of insurance for comprehensive general liability insurance identifying the City and its representatives as additional insureds.
5. It is the Applicant's sole responsibility to call for utility mark outs prior to any excavation.
6. All restoration shall be made as per Chapter 148 "Streets and Sidewalks" of the City Code & NJDOT Specs. All work as per OSHA, NJDOT, MUTCD, NJDEP and applicable agency requirements.
7. Copies of all **local building or any other applicable permits** must be attached along with a copy of a sketch or plans showing location and dimensions of proposed work, Traffic Control Plan, Insurance Certificate, Check/Money Order (credit card not accepted), Bond (any checks submitted in lieu of bonds must be certified), Municipal permits, and/or Planning Board Approval.

CERTIFICATION IN LIEU OF OATH:
