

**50 Main Street & 18-20 Bridge Street
Hackensack, New Jersey**

Located across from the “Green” on Washington Place, this building will contain approximately 8,000 sf of retail and commercial uses on the first floor and ten (10) residential apartment units on each of the remaining stories. Overall, the project will comprise forty residential units within the five story building. In addition the project will include a two story building located at the corner of Main and Bridge Streets. Parking will be located at the rear of both buildings and will include new streetscape, lighting, landscape along all street frontages for Main Street, Moore Street, Bridge Street and Washington Place.

65 Central Avenue, Hackensack, NJ 07601
